PROFILE

Soft Skills and Communications Trainer with excellent oral and written communication skills, along with 11+ years of experience in Sales and Training combined. A trainer who leads by example in execution, effort, task accomplishment and goal attainment.

A highly motivated training professional with a background of Psychology and Mass Communications that adds to the performance as a trainer.

Firmly believe in personal and professional growth and good feedback from the trainees makes the objective more resolute.

Adept in conducting both, face to face and online training sessions, I have trained around 4800+ trainees from various fields.
